

Camping La Chataigneraie

Sanitary measures established Covid 19

Your health is our priority

New sanitary measures have been established against COVID 19 in our Camping, it's made to protect you and to protect us! Let's stop de virus together...

La Chataigneraie established some sanitary protection measures to fight against COVID 19 in collaboration with Flower Camping « Safe+ » and with the federation of the open air hotel trade.

Our team is equipped and is aware of the respect of protective measures.

You can help us by using the products available.

In the camping, we live in community, we have to apply the measures. Thank you for being careful.

Disinfectant Gel
Available in the whole camping, sanitary, pool...

Detergent products + tissues
Available to disinfect risky surfaces

Respect everyone
Respect the protective measures to protect you and the other people

ACCOMODATION

Total disinfection of your accommodation with a product approved by the OMS

SANITARY

Disinfection twice a day. Disinfectant products available

POOL

Hand sanitizer available, disinfection of the deckchair after every use, and respect of the safe distances

Details of the sanitary measures

The reception

A protective Plexiglas has been set up on the counter and hand sanitizer is available. The surface will be disinfected after every use. Please respect the floor marking (an entrance and an exit) and social distances. The receptionist will give you the prospectus.

The grocery

The products are available. Please do not touch a product if you don't buy it.

Games room

Tennis, table tennis, badminton racket and pétanque balls are disinfected before the loan.

Table football, pinball and snooker are available. Please use hand sanitizer before use.

The swimming pool

Hand sanitizer is available, deckchair are disinfected after every use. Please respect social distances. The pool is treated with chlorine so there is not risk of transmission in the water.

Play area

Our play areas are disinfected several times a day.

Child animation

Workshop for children now take place at your spot; we will give you a kit and activities for every day.

For the bigger, some respective activities are proposed, for example photo safari, treasure hunt, orienteering, sports competition...

Accommodation

The accommodations will be disinfected with a disinfectant COVID 19 product.

Bed protections are changed after every client.

You will receive a link one week before your arrival to make an electronic bail. (Switky secure website, bail isn't debited)

The day before your arrival you will receive an email with your spot number and the gate code. When you arrive, go directly to your spot and we will visit you.

Sanitary

We have opened sanitary so there is always an airing. Hand sanitizer is available in the toilets and disinfectant products with tissues are made so you can disinfect surfaces. (WC, shower, Wash basin).

Our sanitary are cleaned and disinfected twice a day, from 7am to 10am and from 4pm to 6pm.

The bar and restaurant

The tables are 1,5 meter from each other's, there is a marking on the floor so you don't meet someone coming the other way. The staff of the restaurant wears visor and mask.

If you have any question, don't hesitate to contact us on contact@chataigneraie.com or phone 04 75 31 43 33
